

Friends of Christ's Hospital Performing Arts

The Friends of Christ's Hospital Performing Arts play a very important role in supporting the Music and Drama events in the school.

The events are an integral part of the children's ongoing creative development and as such we try to encourage and enable them as much as possible. The performances also provide a welcome showcase for the many talented pupils we have in the school and also allow them to see and work with many professional performers.

The Friends and Patrons contributions help to pay for many extras and necessities that would otherwise be beyond the reach of the departmental budgets; for example, paying for the brochure and subsidising professional performers, this in turn encourages the wider public to attend our events.

Friends are entitled to £2.00 off the adult price and are invited to an Annual free buffet before a show that is held in the summer term. Patrons are entitled to free tickets at each event.
