

INTERNATIONAL BACCALAUREATE DIPLOMA

Name:

The IB has become a leading, internationally recognised qualification as a basis for entry to courses at universities and other institutions of higher education.

The Diploma Programme is aimed at students in the 16-19 age range and will be offered alongside the A Level course at Christ's Hospital. Both the IB and A Level courses are academically rigorous.

IB candidates choose to study six subjects over a period of two years. The six subjects are selected from six curriculum groups, three being offered at higher level (HL) and the other three at standard level (SL).

- Please write one chosen subject for each of the six subject groups in the boxes within the groups below. Please indicate which level (Standard or Higher) you wish to study in the white areas below.
- Some subjects are offered at only one level. For Group Six either write Visual Arts or Theatre or write the name of an additional subject from groups 2, 3 or 4 that you wish to study as an elective.
- Your six subject group selections must include three Standard Level (SL) subjects and three Higher Level (HL) subjects.
- Native German speakers must select both German A: Literature HL and English A: Language and Literature SL from Group One and should only select a Group Two subject (if they wish to study one) as an elective in Group Six.
- Not all combinations of the listed subjects will always be available. However, we wish to know the demand for each subject to ensure that we offer the best possible service to all.

IB SL and HL Level subjects

<p>Group 1</p> <p>English A: Literature SL or HL</p> <p>English A: Language and Literature SL</p> <p>German A: Literature HL</p> <p>Subject: _____ Level: _____</p>	<p>Group 2</p> <p>French B SL or HL</p> <p>German B SL or HL</p> <p>Spanish B SL or HL</p> <p>Spanish ab initio SL</p> <p>Latin SL or HL</p> <p>Subject: _____ Level: _____</p>	<p>Group 3</p> <p>Economics SL or HL</p> <p>Geography SL or HL</p> <p>History SL or HL</p> <p>Subject: _____ Level: _____</p>
<p>Group 4</p> <p>Biology SL or HL</p> <p>Chemistry HL</p> <p>Physics HL</p> <p>Design Technology SL or HL</p> <p>Subject: _____ Level: _____</p>	<p>Group 5</p> <p>Mathematics SL or HL</p> <p>Mathematical Studies SL</p> <p>Subject: _____ Level: _____</p>	<p>Group 6</p> <p>Visual Arts SL or HL</p> <p>Theatre SL or HL</p> <p>or</p> <p>Elective from Groups 2-4: SL or HL</p> <p>Subject: _____ Level: _____</p>

INTERNATIONAL BACCALAUREATE DIPLOMA

Choice of Subject

In addition to the subjects overleaf, Theory of Knowledge and Creativity Action Service are required as part of the course. The Diploma Programme includes both internal and external assessment and students are examined through coursework and examinations in May 2013.
