## The SET Sports Tours Sussex Rugby Open 7s

On Sunday March 2nd 2008 Christ's Hospital is organising the SET Sports Tours Sussex Rugby Open 7s. This event, which is seen as one of the most important and major warm-up tournaments for the National Rosslyn Park Sevens later in the month, has been running for over 30 years and major trophies are awarded for the various winners.

The Tournament consists of 32 teams representing the premier schools in Southern England (including Tonbridge, Epsom, Eastbourne, Brighton and Wellington College), but also invites from a wider field including Bryanston and Millfield from the west, and Barnard Castle from the north.

Over 1000 people are expected on the day and the whole event is covered by local news and press. A number of England Rugby players have already indicated that they will be attending.

We are asking local business to help Christ's Hospital defray some of the costs of setting up this prestigious event. You can help us by taking up promotional spaces around the site and advertising in our programme.

The cost of a promotional space at the event will be £300 (3 metres square). The cost of a ½ page (black/white) advertisement in the match programme will also be £300. Details of other prices for spaces, advertising and how to book are shown on the attached sheet.

Help us to make this a great day for hundreds of children from across the area and who knows you may play a part in helping to spot the next Jonny Wilkinson!
