

CHRIST'S HOSPITAL

A life-changing educational opportunity

An Invitation to our Year 5 Workshops

Dear Colleague

You are warmly invited to take part in one of our Primary School Workshops with up to three Year 5 pupils. Through the Christ's Hospital Workshops Programme we aim to share our facilities and specialist teaching with other schools and, additionally, offer pupils who may be interested in applying for our Year 7 or 9 entries in future (bearing in mind our academic entry level) an opportunity to experience a day working with our pupils and staff.

Christ's Hospital is an independent school in West Sussex for pupils aged 11-18 years. Founded in 1552, and well known for our unique Tudor uniform, the School remains true to its original mission to provide a life-changing educational opportunity to children from all backgrounds. With the support of the Christ's Hospital Foundation we are able to provide considerably more bursarial support for children than any other independent school in Britain.

Accompanying teachers can choose to participate in the workshops with their pupils or to observe Christ's Hospital lessons and find out more about our teaching methods at secondary level.

We hope to welcome you and your pupils soon.

Best wishes,

John Franklin
Head Master
