THE SCHOOL

King Edward VI founded Christ's Hospital in 1552 to take the poor children from the streets of London and provide shelter and education for them. Throughout over 460 years of social and economic change, Christ's Hospital has remained true to its founding principles. It now provides high quality boarding education for children who, but for Christ's Hospital, would not have the chances in life that their potential deserves.

When Christ's Hospital was founded, boys and girls were based in what had been the Grey Friars' Priory in Newgate Street, but the girls and some of the younger boys were relocated to Hertford in the 17th Century. The boys at the Newgate campus were moved to the Horsham site in 1902 and were joined here by the girls in 1985. Christ's Hospital retains strong links with the City of London and many City Livery Companies provide financial support to pupils at the School. The School retains many of its ancient traditions, including the everyday use of its unique Tudor uniform, known as 'Housey' and Band Parade six days a week.

Around 900 pupils are currently enrolled at CH in 2020. Half are boys and half are girls and all are boarders apart from a small number of staff children and day pupils. The main intake each year is at Year Seven (11 years of age) with a small number joining at Year 9 (13+) and 40 to 45 new pupils joining in the Sixth Form. A balanced pupil population is a feature of the School, and children are admitted from a wide range of backgrounds. Selection is based on academic ability, talent in some combination of music, art, drama and sport and the potential to benefit from a first class boarding education. However, the over-riding principle of the admissions process is to help those with need, whether that need be financial, familial or educational.

The School offers a traditional academic education and our expectations of pupils are high. Excellent standards are achieved, with 90% of pupils gaining places at Russell Group universities, art colleges or music conservatoires. Around 10 pupils each year go to Oxford or Cambridge.

Currently, over 60% of the cost of running the School is funded by Christ's Hospital's charitable Foundation, with the balance coming from grants from a variety of sources and from fees. Around 75% of pupils receive bursary support; 13% pay no fees at all and just over 20% pay full fees. The resultant mix of pupils is diverse, refreshingly down to earth and there is a strong desire to make the most of the opportunities on offer at Christ's Hospital.

The school has a proud tradition of sporting achievement and runs an active and successful broader curricular programme that includes CCF and the Duke of Edinburgh Award Scheme. Music is outstanding and in addition to the Marching Band, there is a large and impressive Chapel Choir, plus various orchestras, classical ensembles and jazz groups. Drama flourishes with regular productions in the purpose-built 600 seat theatre and the Art School produces work of unusual quality.

The lesson timetable is spread across six days, with lessons on Saturday morning and games or activity sessions on three afternoons each week including Saturday. The school works on a three weekly cycle, with a leave weekend or longer break at the end of every three week period. All staff are expected to contribute to the busy broader curricular programme throughout the year and staff are required to help out in a boarding house for one or two evenings each week.
