

## **CHOBA Event FAQ's**

### **Can we go into any building including our old avenue boarding house?**

Unfortunately not. You will be visiting CH on a working day and we need to ensure that there is no intrusion on normal school life; therefore the buildings we can visit will be dependent on activities, events or exams which are happening at that time. Venues are booked well in advance of the reunion date.

### **Can we wander the site unescorted?**

Government mandated steps to safeguard the welfare of our pupils and staff children require visitors to be accompanied by a member of staff at all times. Alternatively, you can always visit us on Old Blues Day, held each spring, when unescorted site access is possible.

### **Can we take photos of pupils?**

You are welcome to take photographs for private use of the buildings, at band parade, in the museum, and of any pupil guests or guides at your event (at their discretion). However, we ask that you refrain from taking direct photos of other pupils. Professional standard photography is prohibited without prior approval.

### **Can you accommodate guests with mobility constraints?**

Most of our buildings are wheelchair accessible and blue badge parking is available. Please let us know in advance if a member of your group has any mobility constraints.

### **Other information:**

**Car parking** is free and available on site. Please follow signs for the visitor's (west) car park on arrival. Postcode for GPS is RH13 0YP.

**Travelling by train?** There are regular direct trains from London Victoria and the south coast which stop at Christ's Hospital Station, please refer to the National Rail website for times. The station is a 5 to 10 minute walk up-hill to the centre of the School, approx. 0.5 of a mile. There is no taxi rank at Christ's Hospital station, if you are not able to make the walk to the site please alight the train at Horsham where taxis are available and regular buses run to the Christ's Hospital entrance.

Smoking (including E cigarettes) is not permitted anywhere on site.
