#### GUIDELINES FOR OLD BLUE EXAMINATION CANDIDATES

On being given permission to retake any examination at Christ's Hospital, Old Blue candidates must adhere to the guidelines outlined below.

Initial contact is often made in summer or early autumn after the results are released.

The Head Teacher's permission must be given before anyone can be entered to take exams as an Old Blue. Prior to the examination series the names of all Old Blues applying to re-sit will be submitted to the Head Teacher for authorisation.

Once an entry has been prepared it is the Old Blue's responsibility to check the details sent by the exams officer and request any corrections as necessary.

When returning to school to take the exams the Old Blue candidates must remember that they are no longer students and as such we have a duty of care in relation to safeguarding. The following must be adhered to:

- 1) Old Blue candidates should report to reception in good time to sign in, wait for an escort to the exam venue and, once finished, wait for an escort back to reception where they should sign out in person with the reception staff.
- 2) At no stage should they be unaccompanied anywhere on-site.
- 3) All buildings other than the exam venue are out of bounds.
- 4) If an Old Blue has exams in two sessions on the same day then, unless they are in sequestration, no food will be provided and they must be off-site between exams.

Candidates should contact the Exams Office just before results day to confirm the best way to receive examination results. The standard post results services (reviews of marking, copies of scripts) are available, but fees must be paid in advance of any application being processed.
