

CHRIST'S HOSPITAL

A SCHOOL LIKE NO OTHER

TEACHER OF CLASSICS

Required for September 2024

www.christs-hospital.org.uk

Introduction

At the heart of Christ's Hospital is a mission which has stood for over 470 years: to challenge inequality by providing a nurturing transformative education for young people from all backgrounds. The school prides itself on its academic excellence, rich history, charitable ethos, stunning buildings and site, rewarding work environment, and diverse community. It is in the independent sector, but we are far from being a typical independent school.

We take pride in being the most diverse independent school in the UK, where individuals from all backgrounds come together to share experiences and broaden perspectives. Our students come from London and the southeast and, increasingly, from further afield in the UK; we also welcome students from overseas, including Hong Kong, China, Germany, and Italy. Our commitment to social and cultural diversity fosters an inclusive environment, preparing our students to navigate a globalised world with kindness, inclusivity, responsibility, perseverance and individuality.

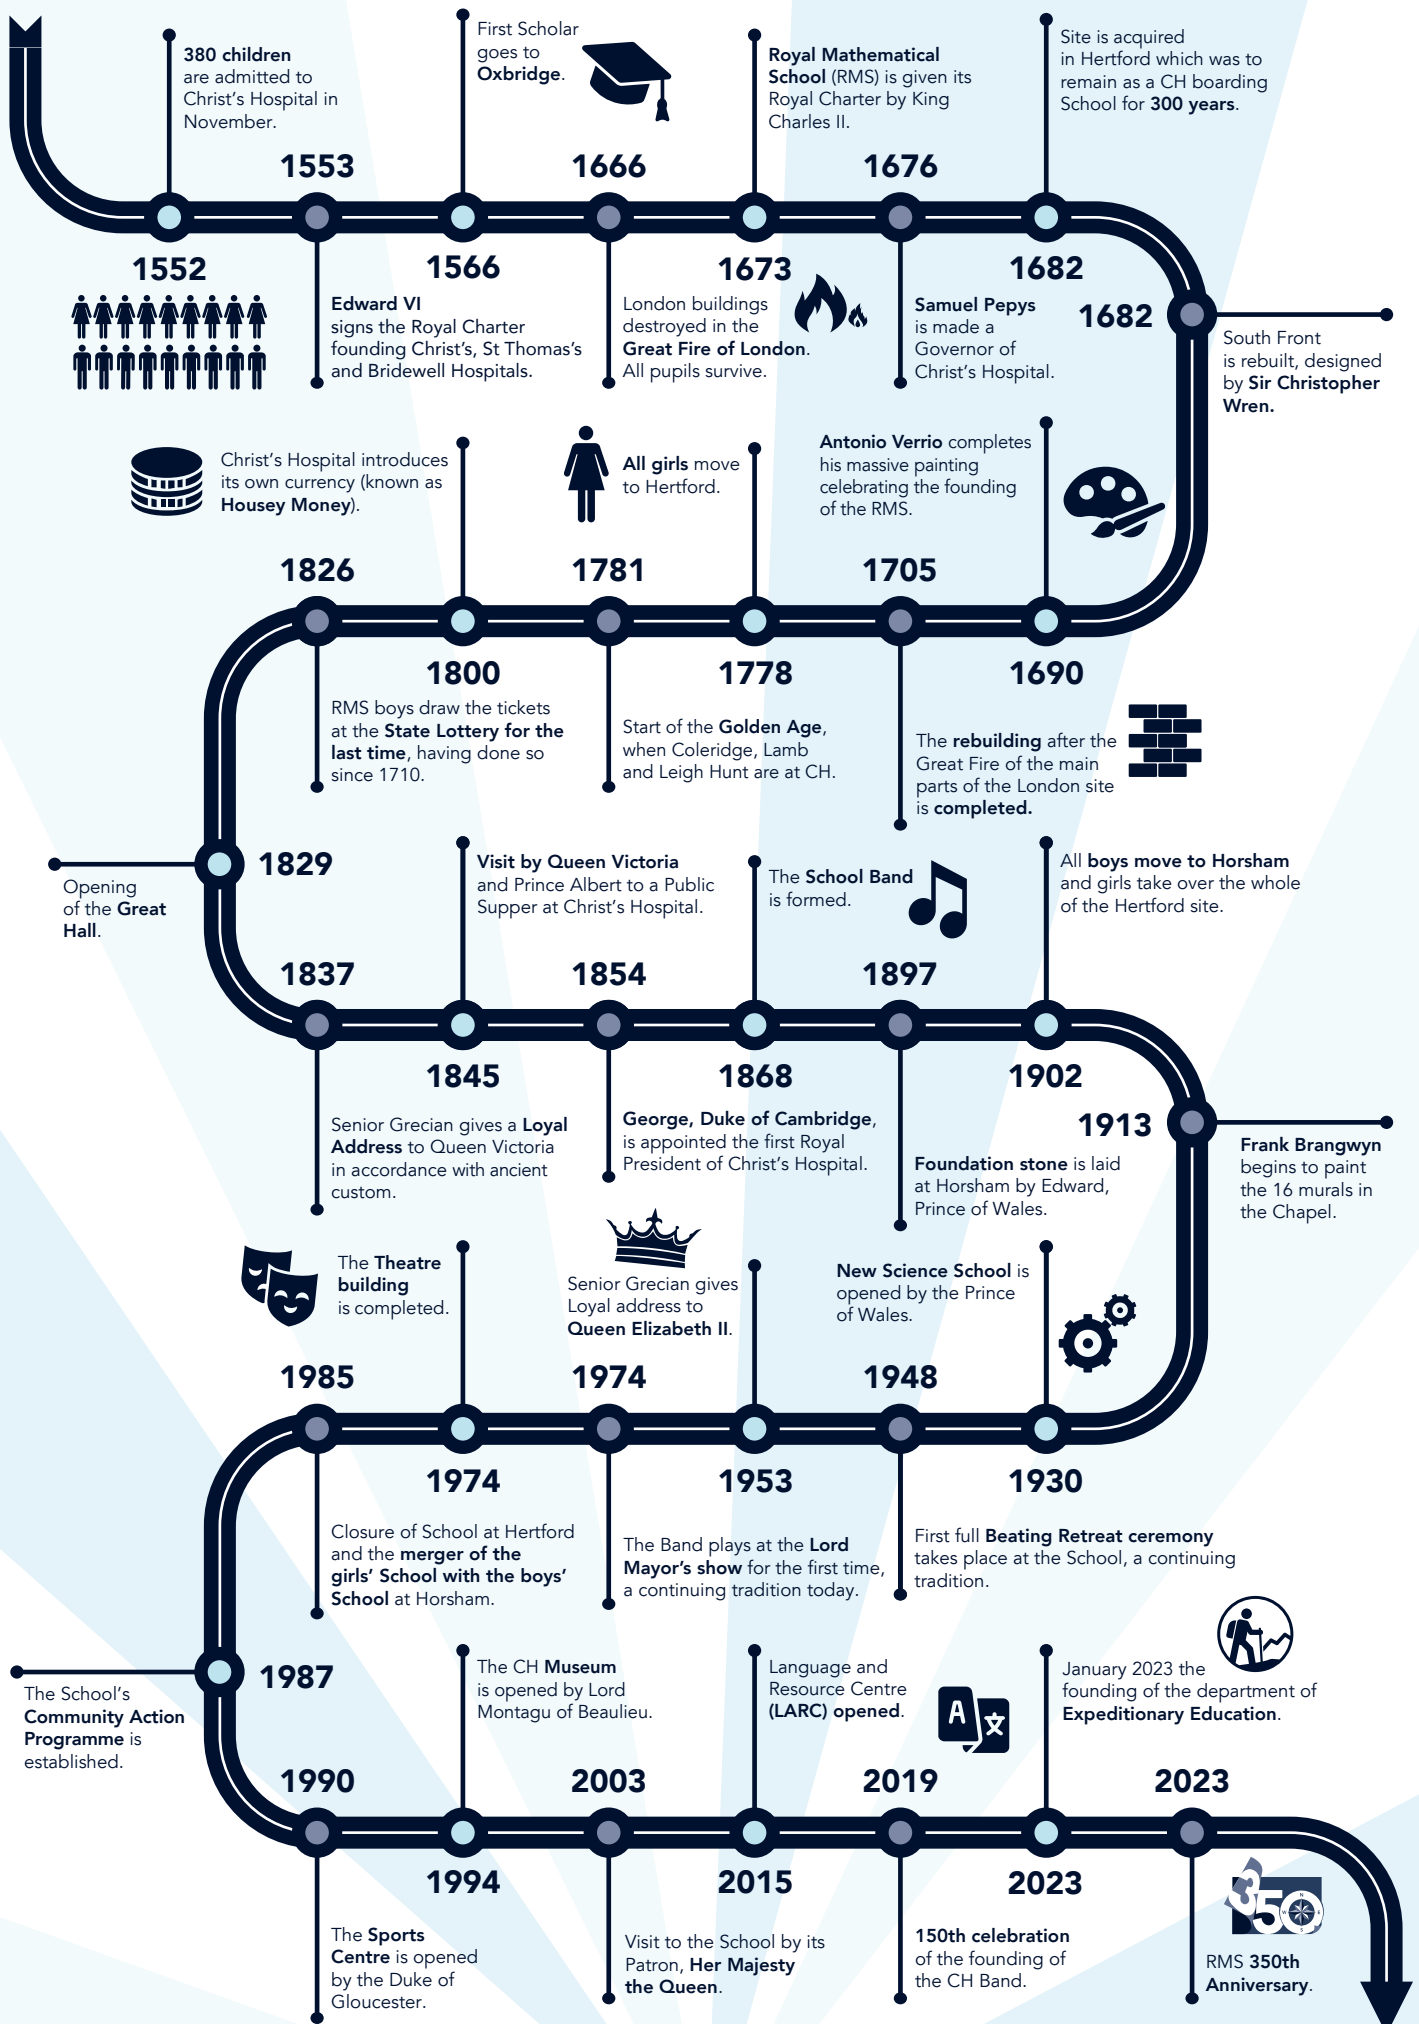

CH (as it is affectionately known) provides more financial support to its students than any other school in the sector. In the current academic year, 80% of our students come to us from state schools. More than 75% receive financial support, with 10% paying nothing and a further 24% paying less than 10% of the full fee. We have full fee payers from the UK and overseas, approximately 22% of students this year; staff children make up the balance. Many students start at CH having already faced significant challenges in their young lives. CH provides them with a safe and secure place to develop and achieve their full potential. Many will be the first in their family to attend university; they don't have that easy certainty of aspiration and success that can characterise their peers in independent education.

The school offers a varied and interesting curriculum inside and outside the classroom as well as facilities which would be the envy of many schools. All aspects of holistic education have challenge and opportunity at their core. We have recently developed a comprehensive expeditionary education programme and are in the process of building a state-of-the-art athletics track and exercise Exploratorium which will complement its inclusive learning environments. CH bases its experience in continuous learning and growth, for our students and staff. We provide frequent, personalised, and comprehensive professional learning opportunities that empower our staff, ensuring they are abreast of contemporary educational thinking. This commitment translates into improved educational experiences for our students.

So, why come to CH? Because our students are inspiring; because you get to share in their achievements and see them reach a potential that might otherwise be frustrated by their home and financial circumstances; because every day you learn something new; because you get an opportunity to push back against the limits and constraints that a lack of social mobility implies; because it is fun, stimulating and ultimately satisfying to work with young people who want to achieve.

If this, and the information that follows suggest that CH is a place to which you can bring relevant personal and professional experience and where you can make a real difference to the lives of our young people and to your colleagues, please do think about joining us at Christ's Hospital. It is a place where you can contribute to a transformative education for our students and therefore go about creating positive change in the world beyond.

OUR JOURNEY SO FAR

Academic Life

Christ's Hospital prides itself on delivering a vibrant curriculum that has both challenge and opportunity at its heart.

The CH curriculum is made up of three interwoven parts; a stimulating academic curriculum which covers everything inside the classroom, an extensive broader curriculum which encapsulates everything outside the classroom and a nurturing pastoral care programme which supports personal development. All three complement and support the progress of our students at every stage.

In Year 7 and Year 8 the focus is on a diverse academic curriculum offering the students an abundance and breadth of experiences. In Year 8 the students are challenged to deliberate, rationalise and debate the world around them. They also add a further Modern Language to their learning. In Year 9, in addition to exploring the core subjects, they select a further five subjects from the 16 available to study in more detail. In readiness for their GCSEs, this is slimmed down to four optional subjects in Year 10 to allow for greater depth and exploration.

Finally, in the Sixth Form, students' scholarship is stretched in a stimulating blend of; core A level subjects, independent study through individual project work and CH's bespoke Learning for Life programme. The final two years require a willingness to engage with intellectual challenge whilst benefitting fully from the breadth of CH's unique curriculum.

Christ's Hospital provides a dynamic curriculum that supports the progress of students at every stage, fostering intellectual growth and nurturing their potential.

Broader Curriculum

In the broader curriculum, our aim is to offer varied and rewarding experiences that allow students to discover and develop new interests and talents.

Our diverse curriculum emphasises the importance of life skills and offers an extensive range of activities such as sports, music, art, drama, and outward-bound adventures. Students have the opportunity to participate in clubs, societies, and extracurricular activities, including expeditionary education, the Duke of Edinburgh's Award, Young Enterprise, chess, debating, and public speaking. These activities provide valuable opportunities for personal growth and skill development.

We also offer the Combined Cadet Force (CCF), which provides unforgettable experiences for students, fostering teamwork and leadership skills. The Model United Nations (MUN) project is another thriving initiative that enhances students' leadership and diplomatic abilities. Our school trips take students all around the world, providing them with unique cultural experiences. Recent trips have included visits to New York, sailing the Aegean Sea and exploring various countries in Europe.

Additionally, our community action programme teaches students the importance of society and citizenship. Through it, students engage with the elderly, primary school children, and individuals with special needs, allowing them to cultivate empathy and social responsibility.

Our broader curriculum not only prepares students for the wider world but also complements and strengthens their academic studies. We encourage and support each student to identify and embrace new challenges, fostering a culture of continuous growth and development.

Overall, the diverse and rewarding opportunities that our broader curriculum offers helps to shape well-rounded individuals who are equipped to thrive academically and beyond.

Pastoral Care

Christ's Hospital places great importance on delivering the highest standards of pastoral care to its students. The close-knit boarding houses are a fundamental aspect of day-to-day life at the school and play a crucial role in providing a supportive and nurturing environment.

The Houses create a sense of community and act as a 'home away from home' for all students. Each student belongs to one of the 16 boarding houses or two Upper Sixth Form residences. Within their designated House, students find a supportive network of peers and House staff who provide guidance, support and care throughout their time at the school.

The House staff, including Houseparents, Matrons, and Tutors, are dedicated to the well-being and welfare of the students in their care. They take a holistic approach to pastoral care, focusing on the social, emotional and personal development of each student.

Through the Houses, students have access to a wide range of help and guidance, including academic support, extracurricular involvement, and personal development opportunities. The Houses foster a sense of belonging, friendship, and camaraderie among students, creating a supportive and inclusive community.

Christ's Hospital takes pride in its commitment to providing exceptional pastoral care, ensuring that students feel safe, cared for and supported throughout their educational journey.

Location and Facilities

Christ's Hospital is located West Sussex, nestled in 1200 acres of stunning countryside between London and Brighton. It is conveniently situated 20 miles south of London Gatwick Airport and 45 miles from London Heathrow Airport. The school benefits from its own mainline railway station, with regular trains to London, Gatwick Airport and the South Coast.

The campus of Christ's Hospital is truly majestic, making a lasting impression from the moment you arrive. The grounds feature sweeping sports fields, beautiful buildings and a spectacular Quad.

Teaching takes place in 90 well-equipped classrooms organised by department. Each classroom is equipped with specialist resources and dedicated facilities to enhance the learning experience. The library at Christ's Hospital offers access to over 20,000 books, newspapers, and journals. It also features a fully integrated online catalogue system, providing additional resources for students.

The school boasts 16 boarding houses, two Upper Sixth Form residences, a purpose-built theatre, a modern sports centre, a music school and an art school.

Christ's Hospital has an ongoing program of renovation and rebuilding which ensures that the facilities remain modern and up-to-date. This commitment to maintaining the site reflects the school's dedication to providing a high-quality learning environment.

The majority of students and teachers live on site, creating a close-knit community where staff and students feel happy and secure.

Working at CH

Christ's Hospital employs over 450 staff and has a diverse range of employment opportunities, ranging from teachers, plumbers, electricians, school nurses, accountants and sports coaches. Everyone employed by Christ's Hospital has a direct or indirect impact on the students who live and study at the school. Our students come from every possible ethnic and socio-economic background, bringing a social and cultural diversity that enriches our school community and makes us unlike any other independent school in the UK.

Christ's Hospital is listed by the Social Mobility Commission as one of the suggested organisations and the only school for companies to work with to increase social mobility in the UK. We are extremely proud to have won two awards during 2022: the Gold Award at the UK Social Mobility Awards, and the Judges' Special Award for Contribution to Social Mobility at the Independent School of the Year 2022 awards ceremony.

Christ's Hospital is a 24-hour operation during school term times, and we require flexibility from those who work here; some of the roles within the organisation are live-in. Often these roles will require early starts and later finishes but benefit from housing for this purpose.

- CH is in a beautiful rural setting of 250 acres but is only a five-minute car trip to Horsham. It also has its own train station, with Horsham two minutes away, Gatwick 20 minutes and Victoria just under an hour. The south coast is easily accessible and the Guildford-Shoreham Downslink runs just outside the school.
- Accommodation may be available for the right candidate. The majority of teaching staff are housed near or in the school.
- The school is financially stable, with places in our Year 7 and Year 9 being over-subscribed every year and we run a waiting list. It is backed by strong financial planning and continues to make extensive contributions to our students' bursarial support.
- CH has a thriving ECT and induction programme for new teaching staff. Teachers also benefit from a comprehensive, and bespoke, Professional Growth Programme which operates alongside external courses and school-wide INSET. PGCE, Masters and further training have all been funded for staff.
- Staff children, having satisfied the entrance criteria, benefit from a considerable reduction in fees.
- Membership of Blue Coat Sports, the school's sports centre, comes at a significantly reduced cost, starting at under £40 per month for a family. More information about BCS can be found <https://www.bluecoatsports.co.uk/>.
- Free lunch and other refreshments are available for staff throughout the day, and breakfast and teas are also provided for staff on boarding duty days.
- CH has a thriving community for all staff and their families. The Common Room bar is well-used and supported, and there are numerous events throughout the year where colleagues gather to enjoy each others' company.
- Discounted theatre and concert tickets for public events held in the school theatre. Access to the school library and resources centre.
- Free car-parking for all staff working on-site.

Christ's Hospital is committed to safeguarding and promoting the welfare of children and young people and expects all staff, visitors and volunteers to share this commitment. We follow safer recruitment guidelines, including carrying out on-line searches on shortlisted candidates to check suitability to work in an environment with children.

JOB DESCRIPTION: TEACHER OF CLASSICS

Accountable to the Head Teacher through the Head of Department)

The Department

The Christ's Hospital Classics department is a forward-thinking, dedicated and lively department, which strives to make the subject accessible to students from all backgrounds. The department is made up of four specialists, who teach across all age groups. The successful applicant will be a well-qualified, dynamic and enthusiastic teacher who is able to teach Latin from Year 7 to A Level. The ability to teach Classical Greek would be an advantage, but is not necessary.

Both Latin and Classical Greek are taught at all levels and Classical Civilisation is offered as a one-year course for interested year 12 students. All pupils study Latin in Year 7 and Year 8. Between 25 to 35 pupils go on to study Latin at GCSE, and between 5 to 10 at A level. Greek GCSE sets average between 5 to 10 pupils, and A level sets usually contain 3. Results are strong, with 65% of GCSE Latin candidates achieving a grade 7-9 in 2023 and 75% of A Level Latin candidates achieving an A* in 2022. Students regularly go on to read Classics at universities including Oxford, Cambridge, Durham and St Andrews.

The department runs a thriving Junior Mythology Club as well as a Senior Classics Society and lunchtime seminar series. To engage students in Classics beyond the classroom, we run a broad range of trips throughout the year including a year 8 trip to Butser Ancient Farm, a year 10 trip to Sir John Soane's Museum, a trip to see the annual KCL Greek play, as well as a Sixth Form trip to the British Museum. The department also runs a biennial trip to Italy or Greece, with a trip to Athens coming up in October 2024.

Job Purpose

- To contribute to providing an outstanding education (academic, pastoral and broader curriculum) for students
- To meet and uphold the core Teachers' Standards (DfE)
- To plan and deliver consistently high-quality teaching and learning
- To actively contribute to the broader curriculum and pastoral aspects of students' education
- To cover for absent colleagues in any of the three strands above
- To support the Head Teacher and Senior Leadership in implementing all aspects of statutory guidance for education and school policy
- To support the ethos, mission and charitable objectives of the School

TEACHING AND LEARNING

- Ensure the teaching environment is safe and any relevant risk assessments have been completed.
- Comply with all school policies in respect of teaching and learning.
- Maintain excellent, up-to-date knowledge of: subject; curriculum; teaching and pedagogy.
- Maintain good working knowledge and understanding of a range of teaching, learning and behaviour management strategies.
- Use an appropriate range of teaching strategies and resources to plan, prepare and deliver relevant, suitable lessons in line with students' needs and agreed scheme of work.
- Use data to ensure students' academic progress is in line with or exceeds their predictions.
- Use data and knowledge of individual students to identify, plan and implement relevant interventions.
- Ensure, on a regular basis, that students know where they are in relation to targets and how they can improve.
- Mark and assess students' work in line with school policy.
- Prepare students' progress reports in line with school policy.
- Engage with continuing professional and self-development in a proactive manner.
- Participate fully in compulsory and relevant INSET and other training and development opportunities for teaching staff.
- Participate fully, with the support of the relevant line manager, in the professional growth programme for academic staff.
- Participate, as directed, in all ceremonial and public occasions held by the school.
- Undertake any relevant leadership, administration or organisational tasks.

BROADER CURRICULUM

- Participate in any aspect of the broader curriculum programme as directed including indoor or outdoor competitive and non-competitive sports.
- Undertake any role requested in a leading, supporting or supervising capacity, and be clear in what that role may require, including off-site activities and matches away from school.
- Enthuse and inspire students in the values of the broader curriculum.
- Plan and deliver high quality activities.
- Actively promote the safety and welfare of students ensuring any safety checks or risk assessments are completed.
- Lead/support/supervise student participation to ensure all students are appropriately engaged in the activity.
- Undertake any relevant administration in relation to the activity.

PASTORAL

- Create a positive culture of student welfare and share in the corporate commitment to the safety and welfare of students.
- Ensure the safety and welfare of students at all times.
- Have a thorough understanding of statutory and school safeguarding requirements and always ensure appropriate action and compliance.
- Ensure timely and accurate registration of students in all lessons/tutor time.
- Take an active role in all relevant pastoral matters.
- Undertake tutor duties, liaising with houseparents, the Assistant Head (Pastoral) and Heads of Year/Department as appropriate and attend pastoral and other relevant meetings as required.
- Participate in Chapel services as directed.
- Participate in assemblies and lead as directed.
- Undertake any relevant administration or organisational tasks relating to this area of School life.

Safeguarding, personal and professional conduct

All staff are required to follow published statutory guidance and the school's Child Protection and Safeguarding Policy at all times and to share in the corporate commitment to promoting the safety and welfare of students.

In addition to a thorough understanding of safeguarding procedures, staff are expected to demonstrate consistently high standards of personal and professional conduct.

This job description is not intended to be comprehensive. It will be reviewed regularly and may need to be modified. It should be read in conjunction with Teachers' Standard published by the DfE which "set a clear baseline of expectations for the professional practice and conduct of teachers and define the minimum level of practice expected by teachers in England."
