## ABOUT CHRIST'S HOSPITAL

Christ's Hospital is a remarkable school; it is the UK's leading charitable school and largest bursary charity. The School was established in 1552 and provides free or substantially reduced cost places to over 630 of its 900 students each year - this is more than any other organisation in the UK. Through first-class education and exceptional pastoral support, Christ's Hospital provides each student with stability and the opportunity to thrive and fulfil their potential. 98% of students go on to university and leavers take with them the confidence and resilience they will need to achieve success at university and beyond and to make a meaningful contribution to society.
